Before installing
Coach House Accents

After:

- Simulated Windows
- Hinge Sets
- Door Handles

Our decorative Window panels transform a common garage door into an attractively styled enhancement to your home. Not only do our products add a touch of beauty and character to your garage door, but also can add real value to your property as well.

Everything you seek in enhancements for your home's exterior: high-quality, extreme durability, ease of installation, low maintenance, and affordability. The classic look of a window with the security of a solid door.

Coach House Accents products are covered by a 15-year limited warranty.
